Some-time a - go I start-ed out to seek my  
I knew that I would have to go to work and

8

for - tune, out in the West, the Gol - den West. I'd of - ten  
hus - tle, out with the boys, the min - ing boys So Sue and

11

heard that mon - ey grew out there on bush - es, I could not  
I could go back home to New York Cit - y to hear the

13

rest, till I could test. So in An - a - con - da in Mon - ta - na  
noise, the cit - y noise, We had planned for wed - ding bells as soon as

16

I just made a start, and at once I met the Dear - est girl and  
I could make a stake, and to go back East and live in ease for
